Okay, thank you both – as you saw, I sent the email out about their availability. I'm not available either the week of October 2nd (I could maybe go M-Th if you need another set of hands, but I'd have to leave early and it's a drive to get to the airport...) or the week of Nov 13th, but Kim said to plan on just the two of you going. The week of Nov 6 we are off that Friday for Vet's Day.

Hi Andy and Miguel,

Can you please send me all the weeks between now and the end of November that you may be able to do the Jicarilla SS? If we're in the field for Harvey response, we may need to amend the TAs for Jicarilla.

My availability looks pretty limited, but please let me know what weeks work for you and I'll see what overlap there is and then get in touch with the tribe.

Thanks,
Meaghan
